

KEY INVESTOR INFORMATION

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Lyxor MSCI EUROPE (DR) - UCITS ETF C-EUR (the "Fund")

ISIN: LU0908500753 - A sub-fund of the investment company named LYXOR INDEX FUND (the "Company") domiciled in Luxembourg. Managed by Lyxor International Asset Management ("LIAM")

Objectives and investment policy

The Funds seeks to track both the upward and the downward evolution of the MSCI Europe Net Total Return (the "Index") (Bloomberg code: M7EU) denominated in Euro (EUR).

The anticipated level of the tracking error under normal market conditions is expected to be 0.20%.

In order to achieve this objective, the indexed management strategies that will be implemented consist, depending on the opportunities of the markets and the constraints of the reference Index, in investing in all the equities comprising the reference Index or investing in a representative selection of the equities comprising the reference Index or on an ancillary basis and for the purpose of cash management, investing in the derivatives market (such as index futures) to achieve the exposure to stock markets. The Management Company might combine the 3 strategies in order to achieve its objective.

The indicative net asset value is shown on the Fund's Reuters and Bloomberg pages, and may also be mentioned on the website(s) of the stock exchange(s) where the Fund is/are listed.

An up-to-date breakdown of the Fund's investment portfolio is provided on the website www.lyxoretf.com.

The share currency is the Euro (EUR).

- **Invested financial instruments:** Equities, bonds, money markets instruments, UCITS including Exchange Traded Funds.
- **Dividend policy:** The Fund's income (if any) shall not be distributed to Shareholders, but reinvested.
- **Net Asset Value:** The NAV per share is calculated on each Business Day in Luxembourg.
- **Redemptions:** Redemption requests shall be received on any business day at or before 3:00 PM Luxembourg time to be executed on the NAV of the day calculated as of the following day.

Risk and reward profile

The risk-return category shown above is based on the historical performance of the assets included in the fund, or of its benchmark index. This risk estimate may therefore not represent a reliable indicator of future risk, and may be subject to change over time. The lowest category does not mean risk free investment. Resulting from its exposure to the Benchmark Index, the Fund has been classified within category 6. Category 6 indicates that it is possible to suffer a severe loss of capital under normal market conditions ; the value of your investment may change substantially and have quite large daily upside or downside variation.

Main risks not covered by the above indicator which could lead to a decrease in the net asset value of the Fund and which the Fund is authorized to disclose in this document (for more details about risks, please refer to the Risk Profile section of the prospectus): not applicable.
