Lyxor Emerging Markets Local Currency Bond (DR) - UCITS ETF D-USD (the "Fund")

ISIN: LU0908501991 - A sub-fund of the investment company named LYXOR INDEX FUND (the "Company") domiciled in Luxembourg. Managed by Lyxor International Asset Management ("LIAM")

Objectives and investment policy

This Fund (denominated in USD) aims to track the performance of local currency bonds issued by emerging markets governments, as measured by a benchmark bond index (JP Morgan Government Bond Index - Emerging Markets (GBI-EM) Global Diversified Index, the "GBI-EM Global Diversified Index"), after taking into account the specific investment costs linked to this asset class. Due to the specific risks linked to emerging markets the Fund will also have as objective to maintain an adequate investment structure according to liquidity criteria. This objective may lead to a reduction of the Fund exposure to certain components of the benchmark, and therefore, may lead to a performance which is uncorrelated to the benchmark.

The anticipated level of the tracking error under normal market conditions is expected to be %.

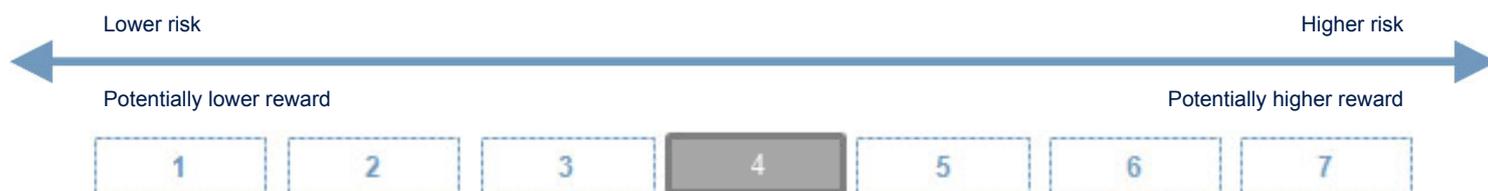

The Fund seeks to achieve its objective via a pure replication by investing primarily in the securities comprising the Benchmark Index. The Fund will not invest in financial derivative instrument, except in futures contracts on indices or bonds listed on a regulated markets, on an ancillary basis and within the limits set out by the regulations. The Fund will not enter as buyer or as seller into any repurchase agreements.
